Dear Little Blessings Parents,

As we welcome August, we're excited to continue helping your children learn through play, exploration, and God's love. Thank you for trusting us with your little blessings each day! In the upcoming weeks, we will be learning about ants, the jungle, space, and science experiments!

Teacher Spotlight

This month I would like to shine our spotlight on **Elizabeth Morehead**! Ms. Elizabeth has stepped up without complaint on our busiest days to ensure our little blessings are showered with love, attentive care, and plenty of learning opportunities!

Ms. Elizabeth has shared her gifts & talents throughout the month by keeping our spaces tidy, remaining calm under pressure, and showing diligence in all she does!

Join us in a round of applause for Ms. Elizabeth! 

Important Notes

- We welcome volunteers! Volunteering at Little Blessings is a great opportunity for gaining experience in the field, completing school required service hours, and participating in the christian act of Charity!
