**St. Gianna Women's Home (SGWH)** is a transitional housing program for women and children. SGWH offers a safe and secure environment for each family to heal from the trauma caused by abuse, become self-sufficient, and create a safe and healthy future. While in the program, each individual works with an Advocate to identify strengths, needs, and resources. Counseling and a variety of educational opportunities are also provided onsite. Though it serves women of all faiths in the Diocese of Lincoln, SGWH does not make any recommendations or referrals contrary to the Catholic faith and is staffed by the Marian Sisters. Your sponsorship of Carole Fest will benefit the work of this very important work of Catholic Social Services.
