September Newsletter

This month's LB Manager update

Wow! September has flown by! I am so excited to get into the fall season and our holiday months! This month we have focused on slowly upgrading some of our centers and the preschool classroom! We have upgraded our literacy area with a cozy corner and our preschool classroom is filling up with the childrens wonderful artwork! We will continue working on upgrading our centers over the next month to include better organization, new toys, and more focus on educational play! Thank you and God Bless!

LB Spotlight: Ms. Tessa!

This month I would like to shine the spotlight on Ms. Tessa! Ms. Tessa has incredible patience and takes her time with the children in her care to ensure they feel heard and seen. Ms. Tessa is amazing with our toddlers and Pre-K! Since August she has taken our preschool aged friends over to our Pre-K classroom everyday where she has taught them about saints, virtues, the rosary, and worked on core subjects for Kindergarten preparation. The beautiful crafts that are filling the room are a testament to her excellent care!

LB Important Notes

- We now offer part time child care!
- We welcome volunteers! Volunteering at Little Blessings is a great opportunity for gaining experience in the field, completing school required service hours, and participating in the christian act of Charity!
