

At Catholic Social Services of Southern Nebraska, our mission is to perform the Works of Mercy in response to the call of God. Guided by our core values—Dignity, Integrity, Empathy, Trust, and Sustainability—we serve those in need with a commitment to inspiring hope and love in every encounter. Together with our staff, volunteers, and supporters, we grow, nourish, nurture, and sustain Hope in the Good Life for our southern Nebraska neighbors. Here are a few highlights illustrating the impact our staff, volunteers, and donors made in calendar year 2024. Thanks for your prayers & support!
