

At Catholic Social Services, our mission is to perform the Works of Mercy in response to the call of God. Guided by our core values—Dignity, Integrity, Empathy, Trust, and Sustainability—CSS serves those in need with a commitment to inspiring hope and love in every encounter. Together with our staff, volunteers, and supporters, we grow, nourish, nurture, and sustain Hope in the Good Life for our southern Nebraska neighbors. These highlights illustrate the impact we made together in calendar year 2025. Thanks for your prayers & support!
